Cathedral University is a new Masonic Education program offered exclusively by the Valley of Indianapolis. It is free to all members in good standing, and unlike similar programs, there is no class size or waiting list.

The program consists of six modules: five study modules with accompanying open-book exams, and one optional research paper all completed at the member's own pace. Module 1 will cover the Blue Lodge, its ritual, philosophy and history through the founding of the Grand Lodge of Indiana. Modules 2 – 5 will cover the Scottish Rite, and concentrate on the history of the Valley of Indianapolis. Module 6 is entirely optional, and consists of a research paper on a Masonic topic of the student's choice.

Additionally, the College of Deans is organizing formal study sessions and other educational presentations with guest speakers to take place during the year.

To enroll, please complete the above information and return to:
